Dashboard Principal

Conține evenimente recente, ai posibilitatea de a filtra după locație și sunt împărțite în mai multe categorii. Din cauză că este un prototip, am folosit doar un component de eveniment cu aceleași date pentru a demonstra layout-ul aplicației.

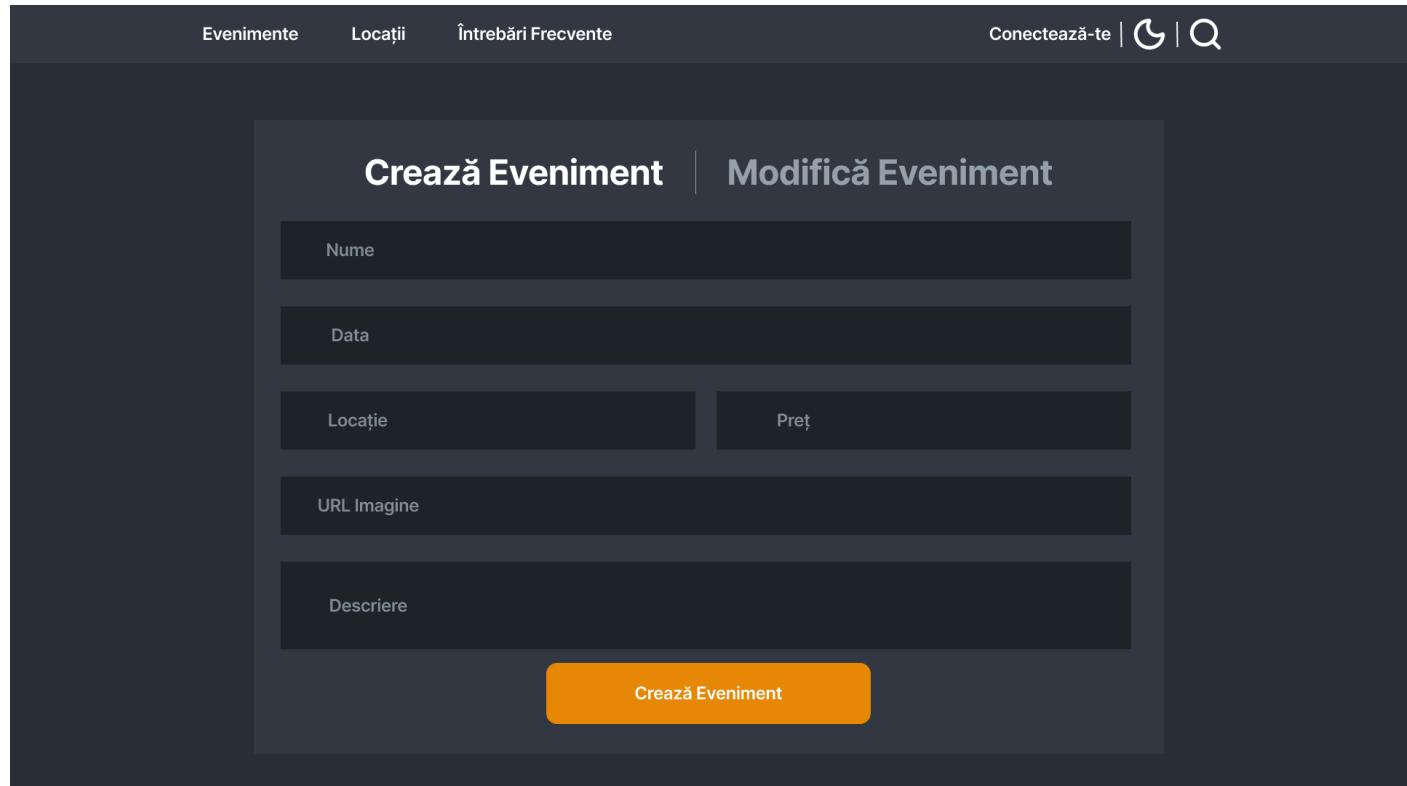

The dashboard features a dark header with navigation links: Evenimente, Locații, Înțrebări Frecvente, and a search bar. Below the header are four filter buttons: TOATE (selected), CHIȘINĂU, BĂLȚI, and ORHEI.

Log In

The screenshot shows a dark-themed login page. At the top, there are navigation links: "Evenimente", "Locații", and "Întrebări Frecvente". On the right side, there are icons for "Conectează-te" (with a user icon), a circular arrow, and a magnifying glass. The main area has a light gray background and contains the text "Conectează-te | Înregistrare". Below this are two input fields: "Email" and "Parola". A large orange button labeled "Conectează-te" is positioned below the email field. To the right of the "Parola" field is a link "Ai uitat parola?".

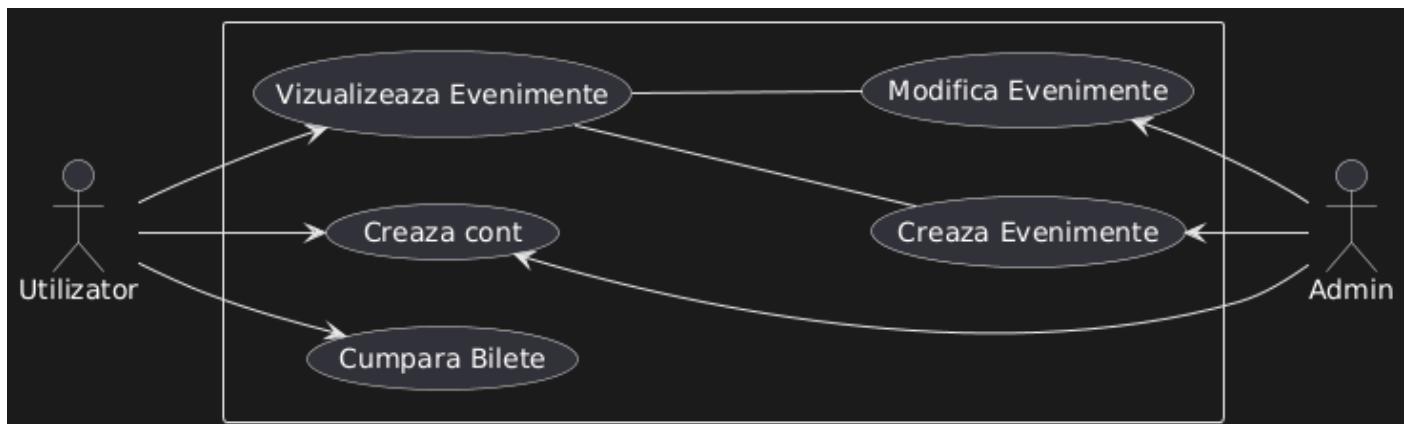

The screenshot shows a dark-themed page for creating or modifying events. At the top, there are navigation links: "Evenimente", "Locații", and "Întrebări Frecvente". On the right side, there are icons for "Conectează-te" (with a user icon), a circular arrow, and a magnifying glass. The main area has a light gray background and contains the text "Crează Eveniment | Modifică Eveniment". Below this are five input fields: "Nume", "Data", "Locație", "Preț", and "URL Imagine". There is also a larger text area for "Descriere". A large orange button labeled "Crează Eveniment" is located at the bottom of the form.
